- State Early Childhood Advisory Councils, state agencies and local communities
- National Organizations

Goal and Strategies

Goal

- To ensure that more children and families have access to high quality early childhood development services

Strategies

- Assuring sound program management and accountability
- Promoting quality, coordination and early childhood system reform
- Launching innovation
- Supporting research and evaluation

Assuring Sound Program Management and Accountability

- Performance measures
- Program monitoring and improvements
- Technical assistance
- Fiscal integrity
- Policy innovation and reform
- Head Start redetermination policies
- Child Care state application and reporting improvements

Promoting Quality, Coordination and Early Childhood System Reform

- Coordinated governance
- Program standards
- Early learning guidelines and assessment
- Early childhood workforce professional development
- Family engagement
- Health linkages
- Data systems
- Continuity prenatal through school age

Coordinated Governance

- Coordinated planning across Child Care, Head Start and Home Visiting (leadership team, regional early childhood teams)
- Early Childhood Interagency Policy Board
- State Early Childhood Advisory Councils
- Early Learning Communities

Program Standards

- Promoting quality rating and improvement systems
- Revising Head Start Program Performance Standards
- Planning TA to states on home visiting fidelity and standards

Early Learning Guidelines and Assessment

- Promoting state early learning guidelines for children 0-5
- Revising Head Start Child Development and Learning Framework
- Planning training and TA for programs on the use of data to inform practice
- Developing a joint statement on assessment with the Department of Education

Early Childhood Workforce Professional Development

- Planning to establish a center on early childhood workforce and professional development *
- Establishing the National Center on Teaching and Learning
- Launching the NAS Study of the Early Childhood Workforce
